Sub: Course on "Geoweb services –Technology and Applications" through edusat

Sir,

Jharkhand Space Applications Centre (JSAC) is a partner institute of Indian Institute of Remote Sensing (IIRS), Indian Space Research Organization, Department of Space, Government of India. JSAC has participated in six distance learning programs conducted by IIRS benefiting 42 participants from different institutes/universities of Jharkhand.

Now, JSAC is participating in outreach program on "Geoweb services –Technology and Applications" which will be conducted from from 11th February to 15th March 2013. As part of the program, lecture/practical demonstrations will be telecasted live from IIRS studio and will be received live at JSAC with UGC-CEC/CIET national beam network.

We have informed to different department of Jharkhand Government to nominate the officials to attend the training program at JSAC (Annexure 1). There is no fee for this course and on successful completion the participants will receive a certificate from IIRS.

This is for your kind information.
