13. Dumka- The document along with code have been provided by Additional collector for master data entry but the format of khatian is different from other district khatain , so data entry software needs modification.

Kindly refer to our letter no. JSAC/2013/10 dt. 2/01/2013 to NIC for modification of data entry software, but till date they have not modified it, due to which the work of Dumka district could not start as the khatian available is in Sardari circle format .

Yours sincerely
